

YONGE & EGLINTON IDEAS FAIR

YOU'RE INVITED!

Oxford Properties Group invites you to an Ideas Fair to explore the future of the Canada Square block.

Canada Square occupies part of a city block at the southwest intersection of Yonge and Eglinton. There is a unique opportunity to reimagine this site in a way that can positively contribute to the economy, housing, retail, and public experience of Midtown Toronto while celebrating the special character of this neighbourhood.

Before we begin our design process, we want to hear from you. We have developed some initial ideas and guiding principles that we want to share with you before we develop more detailed plans for the block.

We hope you can join us on Thursday, May 4 at 2190 Yonge Street in the 3rd level lobby beside the movie theatre for conversation, light refreshments and fun family activities.
