SOUTH
FAÇADETHE PLAN
OF PERFECTION

It starts with an idea. One singular notion,
from which true greatness blossoms.

The simple thought of creating Pickering's best
lifestyle experience. But reaching the city's highest
achievement is seldom straightforward. It takes
courage, fortitude, passion, persistence, and just
a little bit of luck. And in the end, it becomes a
lasting monument amidst an ever-changing
skyline, and a testament to the unbridled
potential of Pickering as a whole.

The three towers of VuPoint form the basis from
which an entire master-plan revolves.
In Pickering's most ideal location, it puts your
whole world within reach. Surrounded by beautiful
community greenspace, it connects residents
with the urban amenities, lifestyle experiences,
and waterfront bliss Pickering is celebrated for.

THIS IS YOUR VIEWPOINT

Towering 46-storeys above Pickering's serene skyline, the panoramic vista atop VuPoint is truly a sight to behold. From Frenchman's Bay to Toronto and beyond, see the vision of a world at your fingertips.
